TRIO NEGATE

BEST for fast acting pool repairing

- 🍌 The most powerful clarifier available, in a simple self-dissolving pod
- 🍌 Trio Negate Pure Cure pods utilise all-natural active ingredients
- 🍌 1 pod added to skimmer clears up to 56,000 litres

How to use

Toss one Trio Negate Pure Care Pod in your pool's skimmer basket. One highly-concentrated dose will clear up to 56,000 litres. If your pool is bigger than this, use 2 pods.

Do not use this pod when water temperature is colder than 15 degrees. The pod and its contents may have trouble dissolving and its performance can not be guaranteed.
