

# PURE CARE NATURAL POOL

**PUREX**  
Pool and Spa Chemicals

## Natural ocean mineral therapy for your pool.

Pure Care Natural Pool is a natural blend of concentrated sea minerals. It is high in natural magnesium and potassium; which helps assists with muscle cramps, blood pressure, anxiety and Eczema. Simply sit back and relax in your natural mineral pool. 5L treats 50,000 litres of pool water and should be added on a Quarterly basis. During times of excessive water dilution, this product should be topped up to ensure the ultimate levels of mineral richness.

Available in these sizes:
