# SPA Pack

The AstralPool Spa Pack ensures the most luxurious of spa experiences keeping you cool and refreshed on hot summer days whilst warm and cosy on those chilly winter nights. The Spa Pack is a economical, reliable and durable choice, built to meet the needs of those who require a spa system which will function smoothly and correctly every time, at any desired temperature.

The Spa Pack comes with CTX Pump, HX Filter and the ZX Cartridge Filter which will offer you long wearing performance and reliability for your spa in one package.

## CTX Pump

The CTX Pump has been designed to comfortably meet the needs of pushing water through pool filters, salt chlorinators, in-floor cleaning system or multi jet spas. This pump will comfortably deliver a much higher head pressure and overall performance while reducing noise levels and using less energy.

## HX Heater

Gas heating is the fastest and most economical way to heat your spa. The HX heater provides a low cost solution to the task of heating to your specific needs. With improved heat efficiency, less maintenance and reduction in running costs, the HX heater is perfect for your spa needs. With the Genus touch screen controller you have the ability to control your temperature and water pressure with the touch of a button.

## ZX Cartridge Filter

With the ZX cartridge filter your water will be crystal clear all year round. Antimicrobial Elements will provide you super fine filtration which will reducing the need for constant cleaning and maintenance. Leaving you time to enjoy your spa in any season.

**The Spa Pack is covered by a 3 year pro rate warranty. Refer to Product instructions at [AstralPool.com.au](http://AstralPool.com.au) for full warranty details.**
